

ADAC RAVENOL 24h Nürburgring, Germany

30 May – 02 June 2024

License for filming permission (General and onboard + pit cameras)

Dear team members and participants of the ADAC RAVENOL 24h Nürburgring 2024,

On behalf of ADAC Nordrhein e.V., SPORTTOTAL LIVE GmbH is responsible for TV-Marketing and Licensing of the ADAC RAVENOL 24h Nürburgring 2024. For this reason, all filming purposes – including those for internal use or documentation – must be authorized through a license agreement and all cameras be marked with a camera sticker.

If you are interested in acquiring a license to produce footage please send your application to SPORTTOTAL LIVE GmbH (24hNBR-TV@sporttotal.com) **until 30 April 2024.**

You can download the acquisition of a license to produce footage via the following link:

We want to inform you that **for the participation at the ADAC RAVENOL 24h Nürburgring, each embedded onboard camera needs an official camera sticker** in order to pass scrutineering. From 2024, this also applies for **all cameras mounted in the pits and pit lane.**

For filming permission with onboard and pit cameras please send your application request to SPORTTOTAL LIVE GmbH (24hNBR-TV@sporttotal.com) **until 19 May 2024.** You can download the respective application form via the following link:

According to your request an onboard and pit camera license agreement will be created afterwards. The license fee depends on the exact purpose of your filming. The license for internal usage only is granted free of charge.

Thank you very much in advance!
