

**TCR TECHNICAL BULLETIN - no. 02-2026**

**25/03/2026**

**OBJECT:**

- 1. Certification Process: Joker.**

**CONTENT:**

Starting from the 1st of April 2026, Manufacturers and/or Authorised Engineering Companies are entitled to apply for 1 Joker (defined as below) per year, for each car model.

The Joker must respect the following conditions:

- It allows the replacement of a single component, with an equivalent new part.
- The integration of the new part must have limited alterations to already certified components.
- All cars must be updated within one year from the certification date.
- The final decision for its application is at the discretion of WSC.
