Pit Wall / working-area

All persons staying in the working area are required to wear fire-resistant overalls and helmets.

Furthermore, the organiser recommends to always wear fire-resistant underwear and balaclavas in addition.

For persons who are staying **exclusively** in the area of the Pit Wall and the communication stands, the organiser expressly recommends the wearing of fire-resistant overalls! These persons may only cross the working area to reach the Pit Wall. It is not permitted to stay in the working area without appropriate protective clothing.
