

## **ADAC TOTAL Qualification Race 24h-Race Nürburgring, Germany**

**18 – 19 Mai 2019**

### **License for filming permission with onboard cameras**

---

**Dear team members and participants of the ADAC TOTAL Qualification Race 24h-Race Nürburgring,**

On behalf of ADAC Nordrhein e.V., SPORTTOTAL LIVE GmbH is responsible for the licensing of the onboard cameras at the ADAC TOTAL Qualification Race 24h-Race Nürburgring.

**The license is granted free of costs.**

**All onboard filming purposes** – also those for internal use or documentation – **must be authorized through a license agreement** and all cameras have to be marked with a camera sticker.

For a free of costs filming permission for onboard cameras please find attached a blank form of the acquisition of a license to produce ONBOARD footage at the ADAC TOTAL Qualification Race 24h-Race Nürburgring. To save time on-site please feel free to tender the filled out document at the beginning of the scrutineering. At the scrutineering the blank form will also be available to be filled out by you.

We would like to inform you that for the participation at the ADAC TOTAL Qualification Race 24h-Race Nürburgring, each embedded onboard camera needs an official camera-sticker in order to pass the scrutineering.

Thank you very much in advance!
